3.

Far down the canyon lights come and go,
 Will-o-the-wisps playing hide and peep;
 Romping and playing I know they are saying,
 Saying "Wee rosebud is surely asleep"
 Will-o-the-wisps, playing hide and peep.

4.

'Way, w'way up yonder I see the stars,
 Silvery stars with a twinkling light;
 Merrily swinging, I know they are singing
 Swinging and singing "Good-night, Good-night"
 Silvery stars with a twinkling light.
